“ I was so sorry to hear about Timmy.
He was such a major part of Barbara and my lives for many years.
So many memories but always my favorite was he calling to talk to Barbara and I would not let him talk to her till he called me Santa Claus.
He would finally give in and say “ok Santa Claus let me speak to Barbara.
My thought are with the entire family today.
I am in Virginia but would have liked to give all I you a hug or love and care today.

“ I was Tim's Dispatcher at Hiller when he first came to be a part of the Electrical team in Nashville before I transferred to another branch -- I enjoyed working with him. He and Josh who he teamed with most days when I was there were always making me crack up just by being themselves knowing they could say anything and I would not take offense. He was always wonderful to joke around with and to aggravate to get a laugh. I am so sorry for your loss and will keep you and your family in my thoughts and prayer. May peace find you now Tim --

“ It's so sad hearing about Tim. He was a really good friend, and he will be missed by so many. He always had a way of making a bad day better, and I will always be grateful that I got to know him for the time that I did. R.I.P. Tim
