“ *Tom was my buddy for a long time here at the hardware store. He claimed that he had to come to Pleasant view to find anything. He was always a joy to talk to about the Davis boys. Teaching them about mules , tobacco and life in general. You could tell that he was proud to be a part of that family. He also gave me a large twist of tobacco that he twisted himself and now hangs on the back wall of my store. I will never forget him. The world needs more Tom Boyds. Rest in piece my friend.*
