“ My family absolutely adored seeing her smiling face everyday we saw her. She was always so sweet even on her hard days. She always kept us laughing and she loved getting updates and seeing our son and couldn't wait to see our baby any chance she got. We already miss seeing her smile and a pat on the back or a hug! She will always be missed and remembered.

ER

“ Velda was a kind lady. She was silly at heart. She was also nothing but accepting of others. I appreciated all of the kind words that she spoke to me. I will never come across a cat image without thinking of her. She will be missed!

“ *Despite the harsh reality of life that can dim so many of our lights. Velda always was smiling and able to find humor even on days I'm sure were grim for her.*

*Her caring and kindness will be missed!*

*Mrs. Velda, thank you for babying my furbaby Madison more than I do myself. Everytime I see something with a cat on it Ill think of you. You will be missed thank you for being amazing to me and my girls and always being there for Bobby when he needed it most here recently. Much love and hugs and I hope youre getting all those kitty cuddles in Heaven. 🐱🕊️*

“ *I long to hear your sweet voice again*

---

**b** - January 07, 2025 at 08:55 AM

“ *Velda was my mother. We love her, will miss her and know that she is in a better place. There is so much more that could be said than what we briefly were able to provide, so I do hope her friends and loved ones share their memories here as well.*

*No service is planned at present but once we have time to process, organize and galvanize, we will let her loved ones know of when we intend to hold a celebration of life.*

AN

*I worked with Sam at BP in Portland, well it's Valero now. We became fast friends and remained friends till the end. I just exchanged messages with her on New Years Eve. I'm not a cat person but I loved my daily dose of Sam's cat videos and I sure am gonna miss them! Sending lots of hugs, love and prayers to her family. Please let us know when y'all plan a memorial.*
