“ Velsa and I were close friends while growing up in Ruston. Unfortunately, we were not in frequent contact in our adult years, although we did have a wonderful lunch together a few years ago. Velsa was such a happy and contented person and SO very proud of her son and grandchildren and so much in love with Billy. Velsa was a very strong, brave and independent person. She did things her OWN way... a quality I always admired. I know she will be missed by everyone in her family. You will be in my prayers as you adjust to living without her being physically present in your lives on a day-to-day basis. She will always be with you in spirit. Sincerely, Pat Ezell
