“ I was sad to learn that Vernon had passed away. I grew up on Ridge Road and Nell was like a big sister to me. I would hide behind a large tree until her dad came along and ask him to bring me some ice cream. My dad worked out of town and didn't get home near often enough. I was still just a kid when Nell and Vernon got married but I thought their's was a marriage made in heaven. Vernon was so nice and Nell could do just about anything. Their first born was like a big doll to me. I use to love to go to her mother's house to hold the baby. (William Lynn) My memories are all pleasant ones growing up on Ridge Road where Nell and Vernon were very special to me.
