Vickie and I became friends when she joined the exercise class my husband and I led in Pleasant View. She love to work out and we always did so side by side. We quickly became friends when we started talking about all the crafting we enjoyed and starting doing crafts together. She taught me to loom. I helped her with the doll house she was building. We learned a lot from each other and she and I became best friends. Vickie I will miss you dearly. You will be remembered each time i use the vase you made me with your cricket that said, "My Best Friend". Rest In Peace.

“ Vickie and i have been friends for almost 50 years. Even though our families went through tough times she was always honest and herself. She loved crafting and loved to share her results. Vickie loved her family and I will remember her with a smile. RIP dear friend.

“ Vickie was one of my first friends at the Ashland Senior Center and she welcomed me from the start. We not only shared laughs from looming, but also with trips and antics at the many antic shops she loved to just browse. Our many trips to Nashville, even if for hospital visits, we still made time for simple things like getting a KFC pot pie to another stop at a hobby shop. I thank the Lord for the blessing he gave to me through this friend. Vickie and my Lord, thank you for all you brought into my life.

Vicki was a kind friend. We went with to plays, out to eat, and many other activities with senior center. She, Carolyn and I would talk a lot. We all went to Amish village and I remember Vicki and I talking about God on that trip
Vicki you put up a good fight and showed courage and strength and love. I admire you so much. Your fight is now over my friend. Have fun now in a new body and play with Carolyn. I will miss you. RIP 🥹🙏❤️
