“ Keith and Mary,

We will miss your mom a lot. We did so much together for years. It has been almost 45 or 50 years since we became friends. All the Christmas gatherings at your house and Keith dressing up as Santa Claus for all the kids. I will never forget the wonderful cream puffs your mom would make. I could go on and on about all the wonderful times we had but I am just so glad I have the memories we share. I will see both of you tomorrow .

*We Love You,
Steve Roath*
