JoAnn, you have all been in my heart and prayers since Mom told me about Son last week. Every time I prayed or just thought of you all memories of his smile covered my heart. I can't think of him and not smile because he would always just light up where ever he was with his smile. For me and my memories of him even as a young child are so filled with the love that he just gave out without even trying. He was such a loving and giving soul, whenever I pass your house & the golf range I would always think of you both and smile. Hearing Daddy or Mama mention him over the years would always bring to my mind that sparkle in his eyes as smiled. I'm so very sorry for the loss you are all feeling, I also know that loving smile is shining down as it lights up heaven and will surround all of you now. Please know you will continue to be in my prayers and my heart as you go through this time. May the Peace that comes from Christ surround you all and hold you a little tighter.
