“ I was deeply shocked and saddened to learn that Carroll has passed from this life. He and I grew up around the corner from each other and he was like a big brother to me. He was fun-loving and mischievous, and we had a blast together in high school egging houses, etc. Carroll was the most honest and open person I have ever known. His heart was huge and I know he loved Chris, their children and grandchildren with every fiber of his being. My heart is truly breaking for you all and I'm praying for God's Grace to give you comfort, peace and strength until you see him again.

Rest In Peace Old Friend
