“ So sorry to hear about Wesley, I went to Russellville many times with him, and enjoyed being with him. He did truly, as I did, love to play golf.

“ Very sorry for your loss and saddened to hear of Jitter's passing. He always had a special place in my mother's heart and Louie had great times on their golf outings together over the years. Uncle Jitter was one of a kind and I will always remember his accent, laid-back manner and sweet smile. I am keeping the family in my prayers and hope that all of your cherished memories will help healing begin soon.

“ *Brenda, I am sorry for the loss of your sweet husband. To my cousins: I have many fond memories of your dad and mom especially from summers in Indiana. They were always so warm, kind and welcoming when we came to visit. Although Uncle Jitter was always quiet, he took the time to ask how I was doing and what was going on in my life. I will be forever grateful that he was able to be with us for my dad's memorial. Dad always spoke highly of Uncle Jitter and enjoyed their visits together. Sending love and lots of prayers from Illinois.*
