“ *Mr. 'T' was always like a father to me and Shirley so close. They took me into their home always and sitting out on the front porch and talking and swinging and the dogs that were so lie children. I am so very blessed that I was able to have visit them in July with a friend that drove me up to the house. I have wonderful memories and blessed that I was included in going to mass and early Easter Sunrise services at St. Michael's out in the countryside for Easter with them.*

You both will always be in my heart and so much love I send your way.

Always, Cindy

Mr. 'T' even cut me the end of a branch the year of the ice storm and I stood it up and hung one ornament like Charlie Brown and it drooped and made my Christmas.

All my love, I send your way.
