“ *I was very sadden to hear that my old friend Billy had passed. We were friends from when we both lived in Nashville and were just teenagers. I remember the good times hanging out with him and his brother Barry at the many parties they hosted at there house. And cruising Shoney's on Harding place with them. R.I.P. “ What a wonderful man Bill Payne was, such a caring individual and loved his family. Just a joy to be around and great general manager on the job. Had the privilege of working for him on several jobs. Being a female construction worker just starting out. He gave me more opportunities to learn than anybody. Always had utmost respect for him as a boss and he gave me just as much respect as I gave him. Loved how he loved his family. Always enjoyed being around Bill back in the day whether on the job or not. Many memories of Nicole as a child and love how she showed love for her father as he did her. Never forgetting special days, and always taking time to be with him and family. Wish there were more men like Bill Payne today, as the world would be a better place. Love you Bill and thanks for showing me the real man you were. Sheri Welch

“ Adios my dear friend - you were the best!!!! I wish we would have talked longer over Christmas and made it to this summer for another meet up and session of Superman construction stories and other spin off stories from those times. Thank you for being a true friend - I will miss you more than I can express. That said, Marie I can only send prayers of comfort and peace as you recall Bill - may God embrace you and the family with his loving arms. My deepest condolences. RIP Buddy and be comfortable up there.... 💔❤️🙏
