“ I will truly miss my special Uncle William. He's only 7 years older than I am, so I grew up spending weeks during summers with him and grandparents. My heart hurts for Lettie and their children. May Jesus wrap His arms around all of them.

“ William was such a special man and very dear to my heart. I will never forget how he helped me during a struggling time of my life. A kind man who saw a need and just took care of it without me even mentioning the difficulty. I will ever be grateful for his kindness. That's just the kind of man he was, and the values he stood for. I pray God's comfort for all of you during the difficult days that lie ahead. I love you all.
