“ Bill was a good friend. Even though I haven't gotten to see him in the last years. When I did it was like I had never been away. Always a hug. He was so proud of his family. The last time he gave me some pictures of his grandkids. I know he suffered so but always found a smile for a friend. My deepest sympathy for his family, especially my friend Nancy, it's so hard to lose your spouse, constant companion and your closest friend all at once. I miss you Bill I know you were always there. Love ya Jan!💜🥺💔

“ This is the most amazing man that I have ever known. He was the rock and the solid foundation of our family and will be missed more than words can ever describe. Being called his baby girl was an honor which I will carry with me always. Anyone that crossed paths with my dad was impacted, regardless of the situation. This man was my hero, savior, best friend, and a blessing to us all. May he rest in peace until we see each other again.
