“ To Mr. Bill's Family, It is with a heavy heart that we have learned of Mr. Bill Burnett - W4KOC becoming a Silent Key. Bill was active on the 145.49 Repeater until just the past few months. He was the founder of the 49er's Breakfast and very much enjoyed the fellowship that this gathering was all about. We will all miss him very much on the air, and are thankful he stopped by on the repeater to make our day a bit brighter. May we all have that humble, jovial, fun-loving spirit in each of us! I believe he is enjoying a honey bun someplace in the beyond. W4KOC SK de AB4ZB. Wm. Freddy Curtis - KC4GUG President DeKalbCannon County Amateur Radio Club 288 Dogwood Circle Smithville, TN 37166

“ Leona & family, All of you have been in our thoughts and prayers since Bill has been sick, they will continue on. Bill was a wonderful person, always had a smile, joke, or a laugh to share. He was a very caring person, very lovable, and will be missed so very much. May God hold you close today and in the days, weeks, and months to come. May he send his heavenly angels to watch over you and wipe the tears that you cry. We love you all and will miss Bill. Love Always, Tonja
