“ To Pat and the family of Bill, I grew up with Bill in Madison on Oakdale Street and after we graduated from high school I did not see Bill until we joined Parkway Baptist Church back in the mid 80s. I can tell the family many, many stories of what we got into while growing up, but nothing, was bad. The worse thing we did was to roll this Preacher's yard on Halloween night and a neighbor saw us and followed Bill home. All of a sudden there were police cars, fire engines and we were all up in the trees pulling down the toilet paper. My condolences to Pat and the family in the loss of Bill. The family is in our thoughts and prayers at this time.
