“ *Hanging in the hallway of the home where I was raised is a collage of pictures; one of which is Billy and I standing side by side in our football uniforms...we were 7 years old. From kindergarten to graduation and beyond we did a lot of life side by side.*

In the early years...

- *There were more backyard football games than one can count*
- *Endless hours of shooting hoops*
- *Roller skating at my 10th birthday party where Billy broke his arm and I cried more than he did*
- *Camping (no tent, just sleeping bags in the woods)*
- *Hunting (primarily just walking in the woods shooting at nonliving things; e.g., cans and stuff)*
- *And hanging out at each other's house*

Then came high school which included...

- *Football*
- *Double dating in my dad's Chevelle Malibu*
- *And summer jobs*

After high school we started a chapter of life that would have a lasting impact...the United States Marine Corps. In September of 1973 we found ourselves at Parris Island, South Carolina. For approximately 13 weeks of basic training Billy always had my back and I like to think that I always had his.

In today's texting and instant-messaging vernacular, one could sum all this with the acronym BFF (best friends forever).

Billy, it has been an honor doing life side by side.

*Semper Fi Marine, Semper Fi
BFF,
Tommy*

“ *Dad was a strong man, stronger than anything i have ever seen. Whenever i couldn't figure something out he always had the answer. I will miss that so much. I keep waking up each day hoping it was all a bad dream but realize it actually happened. If we can all get through this and make it to another day we can do anything in life. I know dad is looking down on us saying don't make a fuss about him , he is fine. SEMPER FI DAD LOVE YOU!!*

“ *Billy, as I knew him from high school, was always a great guy. I haven't seen him in many years but he is someone I called friend even if it was from so many years ago. It saddened me to hear of his passing. I just keep saying to myself, he was such a good guy. Prayers to his family. I know he will be deeply missed.*

“ *I am so sorry for your loss. Sudden, unexpected deaths shatter our lives and plans we've made - to be replaced by memories of a life live well. My heart aches for each of you during this time. May God comfort you and give you peace.*

“ *Bill hall was one of a kind. I had the pleasure of working side by side with him for 28 plus years. He treated everyone the way that he wanted to be treated. He would not ask any employee to do anything that he wasn't willing to do himself. He was a very hard worker and respected by many. He always told me that good deeds would come back to you in the end and there is no doubt in my mind that he was welcomed in the pearly gates. He was most proud of his boys and grand children. He talked about them all the time. I loved Bill and his family as if they were mine and I will truly miss aggravating him every day. RIP my friend you have earned it!*

“ *Bill's passing still seems so surreal. His family has my sincere condolences. I have a lot of respect for Bill. He was a down to earth type of guy ; tougher than nails. One thing that stood out in all our conversations was he was very proud to have served our country and loved the United States Marine Corp. Any hardships he endured ; I'm sure he would gladly do them all over again in service to our nation. No truer friend that a person could have and will be missed by all his friends and family.*

“ *Dad was a great man that treated everybody with respect ! I miss him more than words can say. He always told me that his grandfather was a great man , I never knew him but I guess dad took after him ! It's my hope that I can touch people's lives the way he did. I once told him he was my hero and he was shocked ! I don't think he realized the incredible impact he had on people ! I love you Dad*

“ *Still so surprised over this. He was such a great guy and down to earth. I think I only remember maybe one time he had a mad look on his face usually he always had a big smile. Even when i wasted his good expensive cologne he did not look mad. think he took it better then everyone else actually. I remember getting ice cream off the truck when he would get home. He would do anything for anyone help out where needed. I could go on but think I better stop. I will greatly miss him. Love him. Everyone is in my prayers. Love You all.*
