“ *We are so sorry to hear of Bill's passing. We will never forget the kindness of Bill. He drove my children's bus and went the extra mile, when my son got sick on that bus. He came to his defense, when the other children were laughing. He took care of the situation, and when his route was over, he came by our house, to check on my son. It takes a special kind of person, to show that kind of care.*

“ *I am so saddened by the passing of Bill. He was hard worker and he loved his flowers and it showed with how many he had and how he took care of them. He will be missed.*
