“ *We were greatly saddened by the sudden and untimely passing of Rocky. Although his time was short, his influence will last for generations. He and Lindsey would go out of their way to make us feel welcome at extended family events/holidays. His influence was a source of stability and strength that will be genuinely missed. “ *"Uncle Rodney" as my daughter, Natalee, called him when she first met him about 10 years ago (when she was about 4).*

*We love you; thank you for taking such great care of Lindsey and Paisleigh-girl. Their lives are so rich because of your steadfast love, care and unceasing dedication. I have so many sweet memories of you; your extreme patience, your laugh, your calm demeanor - yet you were always a force to be reckoned with when it came to your Paisleigh-girl; always wanting her to be safe and always following her around as she was truly your joy. Thank you for being present for our family. Thank you for being so good to Lindsey. Thank you for being you.*

*Rest easy.*

*We'll love you forever!*

“ Rocky and I played baseball together on the first team I was on after my family moved to Greenbrier back in 1991 (Mr. Tommy was one of our coaches). Even though we grew apart after high school, Rocky took the time to reach out to me after my father's health started declining and let me know how much he thought of my Dad. Words cannot express how much that meant to me at the time, but him reaching out does loads to show the type of person Rocky was. Rest easy sir, you will be missed!

Rocky was our nephew and one of the best men you could ever meet. He was always calling and checking on us and never failed to say I love you. We were there when he was born and were sitting outside at Vandy when he passed because of the COVID We could not go up. He will remain in our hearts forever. Love you Rocky. “ *Rocky was one of the best men I ever knew, an amazing father to Paisleigh, and a loving husband to my cousin Lindsey. Him & I would talk about his Vols, or my Longhorns; politics, etc. but the lasting memory I will always hold dear to my heart was how he was with family. He would listen to my Grandma's stories for hours, content to sit in an uncomfortable chair instead of out and about. He was a blessing to our entire family, a breath of fresh air amidst all the chaos of this world. I love you, Rocky, and I pray you, Grandpa, and my sweet Willow are looking down on all of us with big smiles.*
