“ To give up on any project we had at City Cafe was not in Willies vocabulary. I would have stopped on some of these projects , but Willie had to keep going. I have never met anyone with such a wide range of experience and perseverance. We first met when I opened City Cafe in 1990 at Spence Lane. He was such a joy to work alongside of. Great memories of so many years , and a wonderful example of being a follower of Jesus Christ. It was my lucky day when we met. Praying for your family!
