“ *Al would visit our family on weekends while he was stationed at Lowry Air Force Base in Colorado mainly to see Georgia! But he spent time time with the whole family and I have great memories of Al spending time with me playing sports , riding horses, and tying a large rope swing that provided me and my friends endless hours of fun. Al was a great roll model for a youngster. Al is missed !! Warren Bay - brother in law*

*I deeply enjoyed knowing Al and am pleased to have one of his winter watercolors in my home. Without Al's help and that of his parents, my work career would most likely had a very different path and I am always grateful for the kindness and concern shown by Al and his family. My deepest sympathies and sincere condolences to Georgia, Bill and their families during this time of sorrow and at the same time, rejoicing with them in knowing he has passed from this life into the presence of the Lord. "Well done thou good and faithful servant".*
