

Winston Morgan Pennell

August 30, 2006 - October 10, 2024

Winston Morgan Pennell, born on August 30, 2006, brought life and joy from the day he was born. He never met a stranger and everywhere that he went he brought happiness and left with new friends. He was active with his church and was baptized on September 30, 2018. He was very loving to his family, friends, and animals. He graduated from Aaron Academy on May 30, 2024 with a 3.9 GPA and had been working at Walmart for the past two years. Then, after he turned 18 was accepting a new job as a stage hand and attending Tennessee College of Applied Technology for Heating, Air, and Refrigeration. Winston still found time to help his parents on the farm and help his grandmother. He was always very giving and concerned about everyone around him. We may never understand why God brought him home so soon, but he has taken our hearts with him. He was a good Christian and we are certain that he is in the arms of Jesus. We can't wait to be rejoined soon. The family requests donations to the Birdwell's Chapel Church of Christ Youth Group in lieu of flowers. “Winston was one of my best friends. He supported me through some of the most tumultuous periods of my life. We spent countless hours at the skate park, movies, and park. When he left, a chunk of my heart went with him. His hugs felt like a big warm blanket, and I will spend the rest of my life missing them. We promised to be friends for the rest of our lives, and I'm glad that promise was at least halfway fulfilled. My heart breaks every day following his loss. My sincerest condolences to his family.

“ Winston was one in a million. There is just nobody like him. We would sit and have conversations when his father and my husband were together. He was smart, funny and kind. He was pure joy to be around. I am sure that there is not one person that has anything negative to say about him. He became excited over the little things. I remember giving him some mechanical pencils that he liked and he was so thankful and appreciative. I have never met any child like him. I am so sorry for your loss. I know that he will be greatly missed. I am confident that he touched many hearts. I know he touched mine.

“ I met Winston when I xferred to the Walmart in White House, I immediately loved him. He was precious and I told him as much. When I xferred to another shift, I still saw him daily and he would smile and wave every time. Thursday afternoon, when my team lead told me he was gone, my heart broke into a million pieces. He was like one of my own kids. I will miss him terribly. My prayers are with his family. I pray you find comfort and solace in your memories. And God holds you near. For now we weep with you.
